Slider carousel with title - screenshots

Here a text section with a title can be defined next to a selction of images in a slide carousel. Each image can be clickable to display full size.

Setup

Title - The title of the 'Slider carousel with title'

Section - Bookmark on page for short cut in side menu
**Text** - Text can be inserted here or alternatively a block can be inserted
Title color - Color for the title, in this example white

Banner color - Color for the banner, in this example blue
Show block - When to show the title (see more info here)

Item list - Here the slider carousel(s) are inserted, in this example three slider carousels are added after one another
Image - Upload an image as banner background

Button link properties - Here a text link can be added, either to an internal page or to an external linkURL, in this example there is no button link

Same procedure with the following two slider carousels

Section - Bookmark on page for short cut in side menu
Text - Text can be inserted here or alternatively a block can be inserted
Title color - Color for the title, in this example white

Banner color - Color for the banner, in this example blue
Show block - When to show the title (see more info here)

Slider carousel image - screenshot

A series of images in a slider carousel each with a title in the center of image that can be dragged forward or backward to the side by a mouse click or through navigation arrows.

Setup

Title - Title of the slider carousel, is not visible on the page
Background theme - Choose between a dark or light background
Description area dark - Can be used if a background image is light or have many colors
Show block - When to show the title (see more info here)

Item list - Here the slider carousel images are inserted, in this example three images are used
Title - The title will be shown in the center of image
Image - Upload an image

Choose color for the title text - Choose between 9 text colors

Same procedure with the following two images
