Intro video - screenshot

A full page video with title, sub title and text super imposed on top of the video. Various video settings can be specified.

Intro video - setup

- Fixed title - The small title below the main title line, in this example 'Varna arial view' in green color
- Fixed text - The text block below the Title, in this example 'Lorem ipsum dolor...'
- Fixed title color - Choose between 10 different colors for the Fixed title, in this example green
- Color for text area below small subtitle - Choose between 10 different colors for the Fixed text, in this example white

Description area dark - Can be used if a background image is light or have many colors

- Fixed link properties - You can choose external page or internal page for link option, this is not used in this example
- Youtube video ID - Here the YouTube video ID is inserted. If more video sources are defined, YouTube will be prioritized before video location and lastly video
- Video location - Location for external video is specified here
- Video - The location for an internal video file can be specified here and a new video can be uploaded
- Autoplay - If selected the video starts automatically as in this example

User controls - Select this option if the user should have video controls

- Loop - Select this option if the video should automatically replay once its finished
- Playsinline - Select this option if the video shall play inline on mobile devices instead of going full screen

Preload - If this option is selected this option is checked the video will be preloaded which makes page slower

Show block - When to show the title (see more info here)

Item list - setup, here an 'intro video item'

- Title first - The big title, in this example 'Aerial views'
- Title last - The last special formatted part coming after the 'Title first', in this example 'Some nice drone footage'
- Line break - Select this option if there should be a line break between first and last title
- Title first color - Choose between 10 different colors for the 'Title first', in this example white
- Title last color - Choose between 10 different colors for the 'Title first', in this example orange

Intro video

Fixed title

Title, just below the main title

Varna aerial views

Fixed text

text area below small subtitle
