Tag

- Standard blocks
- Forum rooms
- Partners

Tag block - screenshot

Simple clickable navigational text tags

Setup of a 'Tag' type of Navigation blocks

Title - The Title of the 'Tag' navigation block, in this example 'Tags'

Title text color - Color for the title, in this example white

Small vertical margin - Minimize top and bottom margins and use less space on the page
Background theme - Choose between a dark or light background
Show block - When to show the title (see more info here)

The Item list of the Tag block, in this example there are three Tag blocks 'Standard blogs', 'Forum rooms' and 'Partners'

The first Item
Link - Where a link can be defined, in this example 'Read more' is the link leading to the internal page 'How to become a business partner'. This link can also be an external webpage. In this example the link text is 'standard blocks' and it is linked to an internal page

Choose text color - Color for the text, in this example orange

Background color -Color for the background of the tag text, in this example black

Same procedure for the next two items 'Forum rooms' and 'Partners'
